Selfie Booth

SELFIE BOOTH

The Selfie Booth is the perfect unit for your special events: Weddings, Engagement parties, Birthdays, corporate events, seminars...

CONVENIENT AND EASY TO MOVE

The Selfie Booth is easy to move and transport, even with a sedan car. Light and breakable in three modules (Head, pole, base) it exists in two versions, with or without printer. Optional carrying case.

PHOTOS

The printed product is customizable and is printed on 4x6 glossy photo paper.

- Several templates from 1 to 4 poses
- Direct sharing on Twitter and Facebook and/or by email.

- Photos and email addresses can be saved for marketing purposes. The photos are saved as high resolution files.

CUSTOMISATION

- Use a template or create your own for each event (Up to 6 templates, from 1 to 4 poses, landscape/portrait)
- With or without printing
- Customise the booth to the event theme as well as homepage, language etc.
- Remote controlled coloured LEDs

A VERY USER FRIENDLY INTERFACE

Fun, fast and easy to use processing software.
