# TINY SELFIE BY PHOTO-ME

*Original design, fun and trendy colors: the Tiny Selfie is perfect for both your private and corporate events.*

## THE WORLDWILDE UNIQUE CONCEPT

- Take your selfies with the **Tiny Selfie booth**: print or share directly on socials (via e-mails or your event Facebook page).

## A POCKET-SIZED SELFIE BOOTH, EASY TO CARRY AND SET UP

- Light, dismountable and compact, the Tiny Selfie is composed of **3 elements** (head, foot, printer) **quick and easy to put together** without any tool.
- Space saving, perfect for optimising your event space or venue layout. Carrier bags are an option.
- The height of the feet can be easily adjusted to fit all heights (persons with reduced mobility, children, etc.).

## FUN PHOTOS, TO SHARE OR NOT!

- Take selfies by yourself or in group (printing format : 4 x 6").
- Up to 4 poses can be shot by the user.
- Photos can be stored in high resolution, printed during the event or shared via Facebook and/or via e-mail address (The Tiny Selfie is GDPR compliant).

## CUSTOMISABLE TO FIT YOUR BRAND AND EVENT COLORS

- Customise your photos with **your own template** (1 to 6 templates, portrait/landscape orientation, 1 to 4 poses).
- **Personnalise the graphic user interface** according to your brand/event.
- The booth can handle the Chromakey technology (green background, fun backgrounds to customise).

## BIG QUALITY AT A SMALL PRICE

- The Tiny Selfie has been designed to provide the maximum benefits at a **lower price** without any quality concessions on both technical and design point of view.

## EVEN MORE OPTIONS

- Available formats : square, portrait/landscape mode, stripes 15 x 5 cm
- Frame counter and « out of paper » warning.
